Recycled Rubber Tire Spiral Notebook

Spiral Notebook: Recycled, Unprinted Rubber

With a cover made from 100% recycled tire rubber, this durable and stylish spiral notebook contains your choice of either 50 or 100 lined (one side) or 50 or 100 blank pages of recycled card stock paper.

Securing the contents of your notebook, when closed, is a handy elastic cord that wraps around the front cover. The unique cover can be custom printed with your company logo and text, making it ideal for promotional purposes, the imprint size is 4 inch x 6 inch.

The rubber cover is manufactured from recycled tire crumb, which has been bonded together using a polyurethane cement. In addition to the attractive style, this product is also very durable. Despite its appearance, the recycled rubber holds together and does not crumble.

This item is only manufactured in July for back to school with a minimum order quantity of 1440 pcs or more
